WHO WE HELP

# Workforce Solutions Aligned to Your Organisation

Recruitment and workforce administration should enable organisational growth rather than constrain it. NV Talent Bridge delivers structured HR solutions defined by organisation size, hiring volume, sector and operational requirements.

## For Corporates

- Scalable recruitment across departments and locations
- Structured candidate screening and reporting
- Contract staffing and payroll administration
- Compliance-led workforce management
- Dedicated account coordination

## For SMEs and Growing Businesses

- Recruitment capability without an in-house hiring function
- Engagement scaled to current vacancy requirements
- Payroll processing and statutory compliance support
- Advisory guidance on HR practice and documentation
- Commercially efficient, individually managed service

SERVICE PORTFOLIO

# Five Core Services, Delivered End to End

### Permanent Recruitment

End-to-end sourcing, screening, interview coordination, offer management and joining follow-up for permanent mandates.

### Temporary and Contract Staffing

Contingent workforce provision for defined projects, seasonal demand, urgent requirements and specialist assignments.

### Payroll Management

Payroll processing, attendance input management, statutory deductions, payslip issuance, reporting and employee query handling.

### Background Verification

Verification of employment, education, identity, address and references, conducted within the scope agreed with the client.

### HR and Statutory Compliance

Support across workforce documentation, labour law obligations, statutory record maintenance and periodic compliance processes.

HOW WE WORK

# A Structured and Accountable Hiring Process

1 Understand — 2 Source — 3 Screen — 4 Coordinate — 5 Support

**1 Understand**

We establish the role specification, required competencies, budget, timeline and organisational context.

**2 Source**

We identify candidates through our database, referrals, professional networks and targeted sourcing channels.

**3 Screen**

Candidates are evaluated against the agreed technical, behavioural and employment criteria.

**4 Coordinate**

We administer profile submission, interview scheduling, feedback, offer communication and joining follow-up.

**5 Support**

We remain engaged through onboarding and for the replacement-support period stated in the agreement.
